## PEDAGOGY IN (E)MOTION: RETHINKING SPACES AND RELATIONS (PAPERBACK)

Springer, Netherlands, 2013. Paperback. Book Condition: New. 2011 ed.. 234 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This personal, creative, critical work from a leading scholar of psychology is rooted in three novel concepts and aims to share critical pedagogy in the spirit of nascent potential found in the context of a colonial Puerto Rico. First comes the idea of pedagogy in (e)motion , or the emotional matrix of the teaching and learning process. Secondly, the author explores the notion of street pedagogy as a genuine and powerful professional tool. And thirdly, the book underscores what Zambrana-Ortiz calls the interconnection of the artscience within the political and biographical act of teaching . The purpose is to inform education teaching practice with the radical framework that, like the neurosciences, believes emotions to be a vital precursor to the planning of action, the process of decision-making and the broadening of our cognitive parameters. The chapters focus on different and yet complementary dimensions of a college teaching initiative boasting a unique interplay between a transgressive narrative, reinvented methodology and authentic samples of students contributions to the project. Traditionally, emotional and visceral experiences have been downplayed and rejected as fundamental components of knowledge. This book makes the case for their reinstatement, and proposes that the pleasure and commitment of teaching itself can be seen as resistance given the challenging social and political context, the bureaucracy of the Puerto Rican higher education system, and the cynicism of the self-confessed cognoscenti who think that little political progress can come from within the university system. Such resistance has proved for the author a source of inspiration and has contributed to her creation and reconceptualization of approaches to critical and useful pedagogy. D edication To my students who inspire many stories and...
