Borgo Press, United States, 2011. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In a galactic culture that extends from quasi-Utopian worlds like new Rome to vermin-infested slums like Old Earth, the Star-Pilots are the great heroes of the day, and Grainger has become a legend in his own time, flying the revolutionary ship, Hooded Swan. The rain forest of Chao Phrya seems a more hospitable place than the Halcyon Drift or the underground world of Rhapsody, scenes of Grainger s previous adventures. But the colonists of the jungle planet are crazed and the indigenous population enigmatic; and Grainger must undertake a mission that requires a lengthy journey on foot through the dense forest. His quest seems awkward, hazardous, and doomed to failure--and that s before the giant spiders make their appearance! Hooded Swan, Book Three.
