HARVEST BOOKS, United States, 2006. Paperback. Book Condition: New. Reprint. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in late eighteenth-century England, Philippa Stockley s American debut gives us a wickedly delightful but deadly serious battle of the wills and the sexes. It begins with the arrival in London of the mysterious Mrs. Foxon the run from a scandalous French pastwho takes a new identity, determined to reinvent herself. She must pit her formidable skills for revenge against Earl Much, a British aristocrat with no less notorious a past and easily her match in sinfulness and intrigue. Between these two swirls a story featuring venal lords, wronged maidens, and reprobate clergymen, transporting readers from bawdy houses to country estatesplaces where the pleasures of the flesh are both high comedy and serious business. A Factory of Cunning takes readers to the world immortalized in Dangerous Liaisons. And, like Michel Faber s The Crimson Petal and the White, the vividly rendered setting and characters give the thrill of a fresh discovery.
