Excerpt: . of the past history, present condition, and future prospects of the Golden Land. It contains, in a condensed form, all the information, collected from a great variety of authorities, which has as yet reached this country. The desire to avail ourselves of the latest intelligence, while it has rendered the narrative somewhat irregular and unmethodical, has at the same time enhanced its practical value, both to those who may think of emigrating, and also to those who may desire to know the history and capabilities of this singular country A more, extraordinary narrative can scarcely be imagined, than that which it has been our duty, as sober chroniclers of facts, to relate, and vast as have been the immediate consequences of the discovery of the gold placers in the valleys of the Sacramento and San Joaquin--they are but trivial to the political and social influences which that discovery is yet destined to produce on the civilized world. It has opened up new regions for the employment of industry, capital and enterprise. It will in a comparatively short period cause the most remote portions of the globe to be closely connected with each other by means of the facilities which modern science has placed at the command of society. Through the agency of the steam vessel, the railroad, and ultimately by the universal extension of the electric telegraph, time and space may be almost annihilated, and far distant continents be more closely connected for...
