

Sporting Firearms (Classic Reprint) (Paperback)

By Horace Kephart

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sporting Firearms It is assumed that the reader of this booklet is familiar with gun catalogues - whence space is saved by omitting nearly everything that catalogues have to say. Let us consider rifles and shotguns from the user s standpoint, simply as tools of sport, to be judged strictly on their merits. The make of a gun, like a horse s pedigree, may be of good or ill repute; but it is not a final guarantee of merit. To prove a gun thoroughly, it must be tested both on the range and in the field. Nobody can tell from field shooting alone just what a gun s shooting qualities are; nor can anybody tell much about its killing power and serviceability until he has used it a good deal on game.
