Lesson Starters for Interactive Whiteboards Year R: Developing Literacy Computer Disk and Booklet (Mixed media product)

By Christine Moorcroft, Les Ray

Bloomsbury Publishing PLC, United Kingdom, 2008. Mixed media product. Book Condition: New. 180 x 120 mm. Language: English . Brand New Book. This is the first in a series of seven CD-ROMs containing ten-minute literacy starter activities for whole-class or group teaching, specifically designed to be used on an interactive whiteboard. Each CD contains 24 activities linked to the teaching objectives of the National Literacy Strategy. There is a mixture of word-level activities, sentence-level activities and text-level activities. High-quality animation, music and sound effects are designed to grab children's attention and get them switched on. The level of difficulty can be varied for some activities. Also included is a selection of twenty-four Developing Literacy photocopiable activity sheets, which are related to the interactive activities. The worksheets are supplied in PDF format - free for teachers to print out and use.
