I at first entitled it, an Essay on the Positive Foundations of Practical Religion; and afterwards, On the Directness of Knowledge in Things Spiritual: but gradually found that it was necessary to go into such details concerning the Pathology of the spiritual organ, that I might possibly seem to have entrapped the reader into a more experimental discussion than he could have calculated on. My present title, I think, gives fair warning to those who dislike such books; and at the same time sufficiently well explains the end in view. By the Soul we understand that side of human nature upon which we are in contact with the Infinite, and with God, the Infinite Personality: in the Soul therefore alone is it possible to know God; and the correctness of our knowledge must depend eminently...
