Brand New Book ***** Print on Demand *****.On Tuesday My Nipples Were On Fire: How Autism, Hormones, and Random Strangers Stole My Sanity is one mother s humorous take on her family. Her five autistic and normal kids are an endless source of amusement. Listening in as she recounts the conversations that take place in her home is like watching a slightly warped reality show. Only with more cats. Whether you have autistic kids or normal ones, you ll enjoy this family who has learned that autism is NOT a tragedy! My 13 year old son is autistic. Like, legit autistic. Some days being the mom of an autistic child feels like being entrusted with a special soul who teaches you many things and makes you a better person. But mostly, it is just like being pecked to death slowly by a chicken. Here is the difference between me and an autistic person: If I knock over a lamp and the light bulb breaks, I do not lick the white powder off the inside of the broken pieces. My youngest son is the baby of the family and is very affectionate and very unaware of the term personal space. I was having a serious conversation with him today about how to hug a lady- without copping a feel. So I told him that the only time a boy is allowed to touch a girl s boobs is if he is married to her. He took a minute, thought it over, and then very seriously and earnestly asked me to marry him. New Rule: If you wake me up at 3:45 am because you peed in your bed; you do NOT get to complain about the...
