Penguin Putnam Inc, United States, 2016. Paperback. Book Condition: New. 175 x 104 mm. Language: English . Brand New Book. The New York Times bestselling author of the Manor House Mysteries and the White House Chef Mysteries is back with another nail-biting murder mystery for curator Grace Wheaton. Grace Wheaton, curator and manager of Marshfield Manor, and her benefactor, Bennett Marshfield, are discussing how to help her roommates Bruce and Scott with their wine shop troubles when Grace's trusted if testy assistant, Frances, calls, saying she needs some assistance of her own. Arriving at the address Frances has given them, they find a coroner's van and police cars parked outside an upscale assisted-living facility called Indwell. One of the elderly residents has been found dead under suspicious circumstances, and Frances, seen arguing with the man earlier that day, is now a person of interest. It's up to Grace to clear her assistant's name and find the real killer before another Indwell resident checks out early.
