ORIGINAL INNOCENCE THE THREE MYSTERIES OF LIFE REVEALED

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 194 pages. Dimensions: 8.4in. x 5.4in. x 0.4in. Original Innocence is William Fecht's insightful and seminal work offering a new paradigm of innocence instead of the traditional religious beliefs centered around a fallen human status. This serious, explanatory work will reveal the three mysteries of life concerning suffering, ignorance, and creation. The paradigm from human guilt and culpability to a soul's original and eternal innocence is indeed a paradigm shift of great magnitude. The dominant theme of the book encourages the reader to understand that most suffering is caused by ignorance. In turn, this ignorance can be traced back in origin to mankind's original innocence meaning our soul's inexperience. Original Innocence makes a radical break from other books of the genre in that it explains the origin of ignorance, and the necessity for a soul's unawareness for souls to even exist. It is an evolving process of serial experiences that create unique souls as expressions of the Infinite Absolute that most call God. Dr. Fechter uses a scientific approach in his research to discover the root cause of the ignorance that the Buddha realized was the origin of human suffering. The author also answers the age-old questions about God being infinite and perfect, and if so, then why is there so much human suffering here on Earth. He states that, Infinite Perfection and Intelligence only creates imperfection if it has the necessity to do so, and if ignorance does indeed cause so much suffering in the world, then why not find the origin of that ignorance. Original Innocence inspires with its unique paranormal treatise. It details how both religion and scientific materialism have been off the mark with their explanations about human imperfections. The author also addresses...
