By Liz R Proctor

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Remember as kids being afraid of monsters and other supernatural forces in your room at night? Many of us would seek comfort in our stuffed animals. Imagine a little girl's stuffed tiger coming to life and protecting her from demons in her wall. They are an inseparable pair; however, her parents don't believe that she's being attacked and think their strong bond is harmful, believing she is delusional. Meanwhile, her father starts to question his own sanity because he sees the tiger making faces at him and sees him moving at times. Now imagine this story being narrated by her tiger. Although some of the story is creepy, a majority of it is hilarious and heartfelt, as you see how strong the bond between a child and her stuffed animal can ward off the darkest that evil can bring. This is only one of the many riveting tales you will read in this collection of suspenseful short stories based on dreams and true events.
