Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ALL her life Miss Elizabeth Dwarris had been a sore trial to her relations. A woman of means, she ruled tyrannously over a large number of impecunious cousins, using her bank-balance like the scorpions of Rehoboam to chastise them, and, like many another pious creature, for their soul s good making all and sundry excessively miserable. Nurtured in the evangelical ways current in her youth, she insisted that her connections should seek salvation according to her own lights; and, with harsh tongue and with bitter gibe, made it her constant business to persuade them of their extreme unworthiness. She arranged lives as she thought fit, and ventured not only to order the costume and habits, but even the inner thought of those about her: the Last Judgment could have no terrors for any that had faced her searching examination. She invited to stay with her in succession various poor ladies who presumed on a distant tie to call her Aunt Eliza, and they accepted her summons, more imperious than a royal command, with gratitude by no means unmixed with fear, bearing the servitude meekly as a cross which in the future would meet due testamentary reward.
