DOWNLOAD

Sage Publications, New Delhi, India, 2010. Paperback. Book Condition: New. First Edition. With project management becoming an increasingly global endeavour, a comprehensive and international student text that reflects this reality is essential. Kusters International Project Management does just that, systematically linking the key elements of cross-cultural management and the particularities of an international context, with the tools and techniques of project management. With full pedagogical support including: - a wide variety of examples and illustrations, including an in-depth, end-of-chapter case study with questions; - student exercises and review questions; - detailed further reading; - a companion website, featuring PowerPoint slides, extra cases and indicative answers. The textbook will be an indispensable resource for all students, both advanced undergraduate and MBA, with a project management element to their studies. Printed Pages: 392.
