Many of his books are about boy scouts and are located in Bridgeboro, New Jersey, a fictional town. The characters include Tom Slade, Pee-wee Harris, Roy Blakely, and Westy Martin. Each of these characters has their own distinct series. The stories have a realism not found in much of the literature for boys at that time. Fitzhugh s books had the approval of the Boy Scouts of America. Because of his books many boys became scouts. The Tom Slade series can be divided into 4 distinct sections. The first section can be labeled poor boy makes good. The second section containing Tom Slade on a Transport can be called the scout becomes a war hero. The third section is about misunderstood boy heroes. The final section books are excellently written mysteries. On a Transport tells how Tom gets a job on a ship taking supplies across the Atlantic to American troops in France and sails through dangerous waters dogged by German warships. \*\*\*\*\* Print on Demand \*\*\*\*\*.
