GRIN Verlag. Paperback. Book Condition: New. Paperback. 60 pages. Dimensions: 8.3in. x 5.8in. x 0.2in. Seminar paper from the year 2006 in the subject American Studies - Miscellaneous, printed single-sided, grade: 1, 3, Free University of Berlin (John F. Kennedy Institut), course: Rise to Power: US Foreign Policy in the 20th Century, 24 entries in the bibliography, language: English, abstract: No area seems to be of more importance in the field of foreign policy and diplomatic history today than the so called Middle East. The continuing clashes between Israeli forces and Palestinian suicide bombers, the difficult challenge of stabilizing a newly elected government in Iraq and the growing tension between Iran and the international community concerning the issue of nuclear power are just a few examples which illustrate the urgency to look at origins of these conflicts. As an example for this essay, I have chosen the case of Iran. I will focus on the very beginning of the involvement of the United States in the Middle East, and I will demonstrate what kind of issues and perceptions played an essential role in the determination of U. S. policy towards Iran. Although I do not attempt to find causes for the...
