Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.An adventure story for children inspired by the paintings of Vincent van Gogh. As boys, Vincent and his brother Theo spy a mischievous fox sneaking into a farmer s cart. The fox finds the farmer s lunch bag and starts to rip it open. That fox should be careful - the farmer will shoot him, says Vincent. Let s catch him, replies Theo, and take him someplace safe. They boys give chase through colorful fields, over land and sea, into the city and beyond--settings illustrated by over 30 of van Gogh s greatest works. On this imaginative journey, the boys - and the fox - learn about failure, success, and discovering how to be the best you can be when you grow up. A great way to open up the world of fine art to children. Van Gogh and a fox make art more fun. It s not a long or hard book to read. But the colorful paintings jump off the pages and will give you a lot to think about.Macaluso includes information on each of the paintings in the book.[He] wants to share the beauty of the art world with all kids. And even if they don t admit it right away, it s cool. Very cool. - Marylou Tousignant, The Washington Post, KidsPost, May 28, 2014.
