

Ox

By Christopher Patton

Vehicule Press. Paperback. Book Condition: new. BRAND NEW, Ox, Christopher Patton, The poems in Christopher Patton's debut collection, "Ox", are about seeing clearly, and also about relinquishing the need to see with specific intent. Through this tension they find their idiosyncratic magic. Like the 12th-century Buddhist parable of the ox-herder, this collection begins with a search, and its open-ended journey establishes the form of its religious and philosophical reach. Moving across lucently rendered North American landscapes, Patton catches a glimpse of his own spiritual setting, and in the process suggests a new direction, perhaps an entirely new scale, for Canadian nature poetry. Brimming with beautifully-controlled descriptions and startlingly precise word-play, "Ox" is an image of vulnerability before the world's plenitude. It is an astonishing achievement.

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.
